Webinar 6	HIV & Diabetes Medicine	Wednesday - 3 May, 2023*	5-6.30pm AEST
Registration Fees:			\$440.00 Inc. GST

* **Please note:** The order of the webinars may change due to panel availability.

Who should attend?

- Basic Physician trainees who are preparing for the 2023 RACP Clinical Physician Examinations.
* Please note that the RACP clinical exam is being held slightly early in 2023 and therefore, our courses will be available from February, so the trainees can start preparing for clinical exam as soon as the written exam is over.

Inclusions:

- Access to live webinars
- Access to recordings of live webinars (posted within 5 business days)
- Access to comprehensive online learning resources

Course Facilitators:

- A/Prof Laila Rotstein, Director of Clinical Training, Alfred Health
- A/Prof Anne Powell, Director of Physician Education, Alfred Health

Both facilitators are on the RACP National examiner panel and Directors of physician education at Alfred Health, Melbourne.

Each webinar will have physicians from Alfred Health speaking about long cases in their specialist area. Current expert Physicians participating this year include: -

- Dr Peter Bergin & Dr Angeline Leet - Heart Failure and Cardiac Transplant
- Professor Paul Laughton - Renal Dialysis and Renal Transplant
- Professor Trevor Williams & Dr Tom Kotsimbos - Cystic Fibrosis and Lung Transplant
- Associate Professor Anne Powell & Associate Professor Indi Rasaratnam - Rheumatoid Arthritis & Systemic Lupus Erythematosus
- Associate Professor James McFadyen & Dr Shu Min Wong - Bone Marrow Transplant and Haemophilia
- Professor Jenny Hoy & Associate Professor Fiona Bodey – HIV & Diabetes Medicine

Combined Courses General Information:

- Cost for all 3 courses combined (a total of 12 webinars): **\$1,100.00 Inc. GST**
- There is no closing date for registration; however, registrations are processed weekly. We recommend early registration to ensure access to the online materials and webinar links.
- Access to the online modules will remain open until after the completion date of the last RACP examination in 2023.
