

Train the Trainer (The RACP Long Case)

The Alfred Hospital traditionally has outstanding results in the RACP Clinical Examination, with success rates consistently exceeding state and national averages.

A/Prof Laila Rotstein and A/Prof Anne Powell are the Directors of Physician Education and both are members of the Senior Examiner Panel (SEPs). They are excited to share their clinical resources and experience with consultants involved in training Basic Physician Trainees (BPTs) at their respective sites. The course is delivered in a series of online modules and interactive Q&A.

Train the Trainer is designed for educators wishing to upskill in training registrars sitting their Royal Australasian College of Physicians (RACP) clinical examinations with a focus on the long case examination.

The course includes:

- An overview of the long case examination process
- The long case structure
- Synthesizing the long case presentation
- Common themes and questions encountered during the examination
- Scoring the long case (what scores well)
- Strategies to provide targeted feedback for trainees in the lead up to their examination
- Strategies to improve trainee presentations

Target Audience

Consultants and advanced trainees who are assisting BPTs preparing for the 2023 RACP Clinical Examinations.

** Please note that the RACP clinical exam is being held slightly early in 2023 and therefore, our courses will be available from early March.*
